FAST METHODOLOGY

FOOTBALL **A**CADEMY **S**YSTEM **T**RAINING

The F.A.S.T methodology has been developed over the years through Kaptiva Sports' successful industry experience within international youth football. It provides a 360° full immersion that creates accelerated thriving results.

The team oversees the technical planning of every drill implemented on the field. Throughout the season, the methodology is divided into various customized long-term plans composed of specific drills to reach determined objectives within the chosen game model.

The program also places importance on educating our coaches in game analyzing software allowing them to create and digitalize their own drills.

A TRUE 360 DEGREE LEARNING EXPERIENCE.
