

KAPTIVA SPORTS ACADEMY **THE TRIALS**

Kaptiva Sports Academy trials are short-stay programs designed for prospective players and their families to gain firsthand experience of what Kaptiva Sports Academy offers.

During these multi-day trial training sessions and a friendly match, players will be evaluated by the KSA football coaches.

Throughout the trial, players and their families will have the opportunity to meet our Kaptiva Sports Academy (KSA) staff and the academic staff from the European International School of Barcelona (EISB) personally. During these meetings and presentations, families can address any inquiries or questions related to the program.

Please note that ALL prospective players must attend the trials with an adult.
