## WHAT IS KS ACADEMY?

---

Kaptiva Sports Academy is an elite residential football academy located in Barcelona, Spain, that has been developing players since 2012.

The academy's main goal is to offer a top inclusive program to talented players from all over the world, helping them reach their full potential through a fully integrated football program.

We believe that training, studying and living in a foreign country is an invaluable experience that helps shape young men into not only better players, but also better people. The benefits of such an experience will be embedded positively into that individual.
