WHAT IS KS ACADEMY?

Kaptiva Sports Academy is a high-performance residential football academy located in Barcelona, Spain, that has been developing players since 2012.

The academy's main goal is to offer a top inclusive program to talented players from all over the world, helping them reach their full potential through a fully integrated football program.

We believe that training, studying and living in a foreign country is an invaluable experience that helps shape young men into not only better players, but also better people. The benefits of such an experience will be embedded positively into that individual.

The team oversees the technical planning of every drill implemented on the field. Throughout the season, the methodology is divided into various customized long-term plans composed of specific practices to reach certain objectives within the chosen game model.

The program also places importance on educating our coaches in game analyzing software allowing them to create and digitalize their own drills.
